Consulting - Process Improvement - Reporting Automation - Multi-Client Support

EXPERIENCE

MAREC Insights - Independent HR Operations & Workforce Analytics Consultant

Las Vegas, NV | 2023-Present

Primary Client: Synergy Staffing Solutions, Henderson, NV

- Provide HR operations and analytics support across multiple client accounts
- Manage 50+ candidate pipelines; improve time-to-hire and workflow efficiency
- Clean and standardize HRIS/ATS data for accurate reporting and compliance
- Build KPI dashboards for staffing, labor costs, and workforce trends
- Implement onboarding, documentation, and record-keeping improvements
- Use internal tools (MAREC HR360 project) to support data cleaning and forecasting

Bella Brite Services - HR & Operations Analyst

Las Vegas, NV | 2018-2023

- Managed scheduling and workforce operations for 50+ employees
- Led onboarding, compliance, and employee record governance
- Reduced labor costs 15% through shift optimization and staffing analysis
- Improved documentation accuracy and audit readiness

PROJECTS (IN PROGRESS)

MAREC HR360 - Workforce Intelligence Platform (Development Project)

- Internal MAREC Insights software project for HR data ingestion, forecasting, and reporting
- Includes dashboards, staffing models, and a universal HR data loader
- Used as a consulting tool, not a commercial product
